Delicat Pour le Visage, \$64

Your mom (and grandma) will be quick to remind you that it's not just your forehead, lip and eye area that need to be protected from the signs of aging. Your chest -- an area often magnified under the sun -- can also show visible signs that you're adding candles to your birthday cake. "Votre Vu is a great line of natural products for patients with sensitive skin who want a little touch of luxury," says [Goldenberg](#). "[It] is a great anti-aging product for the neck for patients with sensitive skin."
