MOUNT SINAI'S WINTER SYMPOSIUM IN NEW YORK CITY

The Icahn School of Medicine at Mount Sinai held its 18th Annual Mount Sinai Winter Symposium, "Advances in Medical and Surgical Dermatology." Participants gathered to learn about the latest advances in surgical and medical dermatology and attend lectures, live patient demonstrations, roundtables and workshops. Top row from left: NewBeauty's Gina Graziano with NewBeauty dermatologist Dr. Jody Levine; NewBeauty dermatologist Dr. Gary Goldenberg with Gina Graziano. Bottom row from left: NewBeauty was on hand with copies of the Fall-Winter 2015 issue; NewBeauty dermatologist and Mount Sinai's chief of the division of dermatologic and cosmetic surgery Dr. Hooman Khorasani with NewBeauty's Aimee Perkowski.
